Re: California's Proposition 65

To Whom It May Concern:

Larsen & Shaw, Inc. hereby confirms its commitment to compliance with California Proposition 65, the Safe Drinking Water and Toxic Enforcement Act of 1986. We recognize the importance of providing clear and accurate information to our customers and the public regarding potential exposure to chemicals known to the state of California to cause cancer, birth defects, or other reproductive harm.

We regularly review and update our processes to align with the latest requirements and maintain transparency in our communication. Should we discover that any of our products contain substances subject to Proposition 65, we will provide clear warnings and take necessary measures to comply with all legal obligations.
