

Mechatronics Engineer

Who we are:

A family-owned business since 1919, in Walkerton Ontario, Larsen & Shaw has been a leading hinge manufacturer producing top quality Custom Hinges, Standard Continuous Hinges and architectural products as well as a wide variety of other hinges, hardware, and metal stampings. The foundation of the business rests on Integrity, Respect, Personal Growth, Team Work, Productivity, Pride & Happiness which are embedded in all aspects of the business. As a progressive company we pride ourselves on our commitment to all employees, the community and the long term success of the company.

Role Description

The Mechatronics Engineer will be engaged in the development, coordination and maintenance of mechatronic system designs and the automation of industrial tasks for advance electronic control systems. Leveraging Larsen & Shaw's in-house fabrication and manufacturing capabilities, the Mechatronics Engineer will support various process engineering functions that involve designing and implementing automated processes that improve safety, quality and productivity through a working knowledge of embedded systems, mechanical, electrical and computer engineering. With focus on automation and PLC programming, the Mechatronics Engineer will be proficient in Solid Works or other mid-level Solid Modelling CAD package. In-house training will be provided to the right candidate. The Mechatronics Engineer reports to the Automation Supervisor.

Our Ideal Candidate

- University Degree in relevant field, Manufacturing Engineering Technician Diploma or equivalent and/or 3-5 yrs experience in a similar role.
- Proficient computer skills in Microsoft 365
- Excellent communication skills, both written and verbal
- Proven track record in troubleshooting
- Ability to interface with manufacturing team members
- Hands-on engineering approach and rapid prototyping skills
- Open-minded, creative
- Ability to operate laser nesting software (training will be provided)

Personal information contained in applications will be used for recruitment purposes and collected as per the Municipal Freedom of Information and Protection of Privacy Act, R.S.O. 1990, Chapter M.56. Our team is a carefully selected set of ambitious, and well-rounded individuals looking to help modernize the manufacturing industry. We are looking for individuals who want to be a part of our company's success as we adapt to market changes, have the desire to grow and have a clear vision of their future.

Larsen & Shaw is an equal opportunity employer committed to an inclusive and fair recruitment and selection process. If you are contacted about an employment opportunity, please advise us if you require accommodation. We thank all applicants for your interest in joining our team, only those selected will be contacted.

Interested Applicants please submit your applications to hr@larsenhinge.com
