RE: Asbestos-Free COC

Certificate of Conformance: Asbestos-Free Declaration

Larsen & Shaw Ltd. hereby certifies that:

The above-listed items **do not contain asbestos** in any form or quantity.

- Our products **do not contain asbestos** in any form or quantity.
- The manufacturing processes and materials used are **free from asbestos**, including chrysotile, amosite, crocidolite, tremolite, actinolite, and anthophyllite.
- This declaration is made in accordance with applicable international, federal, and provincial regulations governing the prohibition of asbestos use.

This Certificate is issued in good faith by an authorized representative of **Larsen & Shaw Ltd.** based on our internal controls, supplier declarations, and quality assurance practices.

Regards,

Dan Wong
