

Production Operator

A leading manufacturer of top-quality custom and standard continuous hinges, architectural products, custom metal stampings and laser cut parts since 1919 invites applicants for the position of Production Operator.

Reporting to the Production Supervisor, the successful candidate will produce parts to specifications under minimum supervision while following operating procedures within the standard run & set up times and maintaining quality throughout.

The successful applicant will possess the following qualifications:

- Grade 12 or equivalent
- Mechanical aptitude
- Minimum of 1-3 years' recent experience effectively operating automated stamping presses
- Previous Manufacturing experience an asset.

Qualified applicants are invited to submit a cover letter and resume. Only those selected for an interview will be contacted.
