REACH Annex XVII Compliance Statement

To Whom it May Concern:

Larsen & Shaw Ltd. hereby declares that all products manufactured, imported, or supplied by our company comply with the requirements set forth under Regulation (EC) No 1907/2006 (REACH), Annex XVII – Restrictions on the Manufacture, Placing on the Market and Use of Certain Dangerous Substances, Mixtures and Articles.

We confirm that:

- None of our products contain substances restricted under Annex XVII above the specified concentration limits.
- We continuously monitor updates to REACH regulations and ensure that our materials, formulations, and processes remain compliant with the latest restrictions.
- Our suppliers and partners are required to provide assurance of compliance with REACH Annex XVII restrictions as part of our quality and regulatory management system.

This statement reflects our commitment to maintaining the highest standards of product safety, environmental protection, and regulatory compliance within the European Union.
